

# 2010

March 1, 2010

Dear Waters Landing Community Member:

This summer we will be offering **SWIM LESSONS** at your community pool. We hope that you will join us!

The lesson program will be managed by Michelle Callanan and Beth Silva. Together, Beth and her husband Jorge (the former swim team coach at Waters Landing), run the Hydro-Sonic Tiburones, an officially registered and fully insured year-round swimming program. Michelle is a WTL resident and the Tiburones office manager. The Waters Landing lessons will be taught by various members of the coaching and life guarding staff at your pool. You can find information about group lessons on the other side of this sheet.

Private lessons will also be available this summer. To schedule a private lesson, parents should make arrangements directly with the instructor. You do not need to fill out registration paperwork if you are doing private, rather than group, lessons. Please be aware that our group lesson program concludes at the end of July.

Registrations may be returned at any time prior to the start date. **PLEASE REGISTER EARLY**, as our lessons fill up quickly. You can return your registration by email, mail, or by fax to our office. For additional information please contact Beth at [ejs@swimtibu.com](mailto:ejs@swimtibu.com). We hope to see you and your little ones this summer!

Sincerely,

Beth & Jorge Silva
